Dear Tony,

Thankyou for sending through the information. I will forward it to the relevant people at the Environment Agency. I appreciate (and agree) with your comments about risk to human health.

I can meet on Monday 19th at 1pm if that is convenient - please let me know and I will pencil it in.

Regards,

Paul Mickleburgh BSc MSc

Subject: Water tests for Benzene

Dear Paul,

Against my advisors advice On RM Estates protecting their investment I attach the readings for the Benzene leaching into the river, I could not live with myself by not giving you information you
