

obviously do not have and something happened to the public.

I need to protect our investment and want some assurances from the council of where we are going and what we are going to do going forward, as mentioned on the phone you said you are willing to meet in the very near future to have discussions, I could do either 19th June as I am home that day or anytime the week beginning 26th June as I am now off that week due to my foot problem, I was meant to be at the US Senior Open coaching, the meeting needs to be with Gareth and myself and yourself and maybe one of your colleagues.

Just a question from one of your other outlets, I have seen an article in the golfers local yesterday where Walton Hall Golf Club (which I think is part of cheshire east) were actually supporting the public outlet and the people holding the lease, I feel we have done a great job but had no support.

The reading is pretty bad at 3.24 ppl per million, the legal limit for drinking water is 5.0 ppl per billion.

We need to work together to sort this which is why I am sending you this information you already should have.

My mobile is 07815 423798

Many thanks

Tony
